Blowout-Proof GENERALS

Over 400,000 People Injured Annually
In Accidents Due to Tire Failure

The Blow-Out Proof Tire Will Keep You Safe—End Every Tire Hazard

EVERY MILE on doubtful tires invites disaster. Your own tires may be ready to blow out at the next bump in the road. You can't tell by looking at them.

Blowouts hide inside your tires, hidden from inspection. They breed on summer heat from glaring pavements—grow nearer with every turn of a tire wearing and weakening through internal friction. They catch you in a crisis—when safety rests on your tires' ability to stand a sudden swerve—quick pick-up—a pounding break in the pavement.

When the blowout comes, you're helpless. Wrecked without a chance to save yourself. For modern road speeds leave less than one-tenth of a second before you crash, and no human can act in that brief time.

No motorist need face such dangers. General Dual-Balloons remove every tire hazard from modern motoring—Blow-Out Proof—their unmatched safety proved in the most spectacular tests ever witnessed by safety experts. They have defied shocks that the sturdy steel of your car frame could not stand—have taken punishment you'll never be able to give them. They are skid-safe, too—proved by tests on wet pavement, snow and ice—taking turns 15 to 25 miles faster than you dare take them on your present tires.

Come in now during our Fifth Annual and greatest sale. Get the whole story of greater safety and actually lowered mileage cost. Learn how our drastically lowered prices, specially reduced for this sale, and unequalled trade-in allowances will equip you with 100% safe, Blow-Out-Proof Tires at savings that take all the strain off your Budget.

THREE KILLED WHEN PLANE WRECKS AUTO

National Guard Craft Crashes into Machine on Road Near Chicago.

By The Associated Press

CHICAGO, June 16—Falling to gain altitude in its takeoff, a national guard pursuit plane yesterday ploughed into a small sedan on a crowded suburban highway, killing three occupants and critically injuring a fourth—all members of one family.

The plane, piloted by Lieut. William N. Cleveland, of the Illinois National Guard, who saw service as a pilot in France, had flown from Chicago to the Roby speedway near Hammond, Ind. A heavy rain fell the field in a soggy condition, slowing the plane in its takeoff.

The plane ploughed down into the rear of an automobile, picking three of them. The propeller of the ship tore into the fourth car and with the force of the undercarriage completely demolished the sedan.

Mr. and Mrs. Peter Brockman and their 2-year-old granddaughter, Virginia Sterling, were instantly killed in the crash.

The Brockmans' daughter, Mrs. Ernestine Sterling, is in a Hammond hospital in a critical condition. All were from Chicago.

Lieut. Cleveland and his mechanic, Sergeant James H. Van Meter, suffered only slight injuries.

Twenty persons among them Petras' wife, witnessed the shooting. They said two men entered and engaged Petras in conversation over the cigar counter. Their talk may have been personal or it may have been a demand for the restaurant receipts. Police are not certain which.

Suddenly Petras' hand reached below the counter and came up with a pistol. He fired twice and missed. One of the men snatched a gun from his pocket and shot Petras down.

FIGHT IS ON

Gasoline Prices Slashed in Warfare on Pacific Coast.

By International News Service

SAN FRANCISCO, Calif., June 16—A gasoline warfare continued to rage unabated on the Pacific coast today.

It started Saturday when one major company slashed the price three cents a gallon to a new low level for the year of 17 cents and weekend motorists enjoyed their holiday.

Other major companies yesterday also reduced their price to 17 cents a gallon and were promptly met by the independents, whose prices ranged from 17 as low as 15 cents a gallon, with 10 and 12-cent gasoline freely predicted during the week.

No reason for the slash was given by the company that made the first gesture in the "war."

GERMANS GET LAST WARNING

Reparations Director Issues Report Stressing Need of Budget Reform.

By The Associated Press

BERLIN, June 16—The last warning of S. Parker Gilbert, agent-general for reparations under the Dawes plan, that the Reich must radically reform its budget if existing international obligations including the Young plan payments are to be met, was before the German people today.

In his final report, given at the end of his year's stewardship in behalf of operation of the Dawes plan, Mr. Gilbert declared that if the budget was kept within bounds Germany would be able to meet her Young plan obligations and develop industry.

Cites Cause of Deficits

At the same time he declared: "Although the means and the public revenues provide the essential material for a well-balanced budget, the determination to keep expenditures safely within the limits of available income has been lacking, and the result has been a long series of budgetary deficits."

The 1929-30 budget was declared the most unsatisfactory since the Dawes plan stabilization, and it was added: "There is evidence of unwillingness on the part of both government and parliament squarely and promptly to face the situation by taking the necessary steps either to control expenditure or to provide adequate resources to cover them."

Loan Overlooked

Mr. Gilbert's report was delivered at the end of the period of Dawes plan operation and the transition period to the Young plan, considered as terminating May 17, 1936. The period began Sept. 1, 1924. The report was made almost coincidentally with oversubscription of the first batch of more than \$300,000,000 German international loan to finance the Young plan payments.

THREE BILLS BLOCK CLOSE OF CONGRESS

Program Centers in Senate as House Has Enacted All Three Bills.

By International News Service

WASHINGTON, June 16—With administration leaders hoping for adjournment within two weeks, congress today faced the task of enacting a three and a half hour bill, the Parker bill and the World War pension act before going home to its political campaigns.

The program really centered in the senate, since the house has enacted all three bills, and waits until the upper branch has completed its task. It may be finished in two weeks but there were indications the session might drag out past the Fourth of July as all three bills are highly controversial.

The pensions will explode over the rivers and harbors bill, because it involves that political "T. N. T." of diverting water from the Great Lakes. A filibuster was threatened against the bill, so long as it contained this clause.

The World War pension bill, backed by the American Legion, will provide further trouble. As is now stands, the bill would authorize pensions for soldiers, disabled by their own misconduct, and would remove all limitation from the time in which a veteran must prove his claim for compensation. It likewise extends until January 1, 1939, the presumptive date for all diseases incurred by service in the world war. These three provisions, it was generally believed, will bring a veto from President Hoover though the administration leaders may try to save the president the embarrassment of vetoing another pension bill.

TWO STATES HOLD PRIMARIES TODAY

G. O. P. Leaders' Futures at Stake in Minnesota; Three Seek Maine Nomination.

By The Associated Press

ST. PAUL, June 16—Political futures of Minnesota's two outstanding Republican leaders were at stake today as party followers registered their preferences for nominations for United States senator, governor, and other state and congressional offices in the biennial primary election.

The two leaders, Senator Thomas D. Schall and Governor Theodore Christianson, have brought two strong elements in the Republican party into bitter conflict during a campaign in which the two men were in agreement on national questions but made up for this peace with torrid personal warfare.

Both open hostile to the Smoot-Hawley tariff bill and favorable to prohibition and to continued affiliation of Minnesota's senators with the independent Republican faction, they virtually ignored a third aspirant for the nomination. He is John F. Selby, a late entrant into the race, who campaigned entirely on a platform calling for repeal or modification of the 18th amendment.

By The Associated Press

PORTLAND, Me., June 16—The Maine primary elections today found three Republicans seeking to succeed United States Senator Arthur R. Gould.

Representative Wallace H. White, of Lewiston, former Governor Ralph O. Brewster and Donald Denwar, of Portland, are the candidates.

Denwar, a newcomer to politics, based his appeal on a wet platform, with White and Brewster reaffirming their dry views.

TAXES POURING INTO TREASURY

Income Payments Expected To Raise Federal Receipts To Record Mark.

By The Associated Press

WASHINGTON, June 16—More than one and a half billion dollars pouring through the United States treasury today the second payment of taxes on 1935 incomes was pouring into the government coffers to swell such collections to unprecedented totals.

Treasury experts expected today's collections to amount to \$200,000,000 or more. At the same time the government was paying out \$150,000,000 from the sale of war securities and paying about \$50,000,000 interest on the public debt.

On June 12, the last day shown in the treasury's daily statement, the government had collected for the fiscal year which started July 1 a total of \$3,457,520,019 and had spent in the same time \$3,698,572,919. Though this left a deficit of \$240,652,650 treasury officials expected President Hoover's first full fiscal year in office to end with a comfortable surplus.

The total receipts for the year \$1,919,665,231, were received at tax on income of 1935. The tax reduction alone meant about \$50,000,000 less income for the government receipts. Indications were that the treasury estimates of a total return of \$2,450,000,000 from income taxes in the fiscal year would be borne out so closely as to surprise even veteran experts of the fiscal department.

The total of ordinary expenditures of the government for the year in last Thursday was \$3,150,141,745 as compared to \$3,650,195,970 for the same time a year ago.

With at least \$5,000,000 in income tax expected by the treasury before the end of the fiscal year on June 30 indications were that the government would have a total income during the year of a little more than \$1,600,000,000, and end the year with a surplus of \$100,000,000 or more.

3 ALLEGED BURKE GANGSTERS NABBED

Detroit Starts Roundup of Men Thought To Be Followers of Slayer.

By International News Service

DETROIT, Mich., June 16—Three alleged members of a band of terrorists, which was formerly captained by Fred Burke, Benton Harbor politician slayer and Michigan's notorious "gentleman crook," are held by police today and 11 accomplices are being sought.

Commissioner of Police Thomas C. Wilcox says that the arrests will clear up 16 kidnappings during the past two years here.

Those held are Harry Hallissy, 33, alleged "blind pig" operator who is now the master mind of the ring, according to police; Stanley Delong, 27, and Ben Hubenstein, 38. Delong's wife was arrested with her husband but police said she would probably be released some time today.

The alleged gang is said to have been recruited by Fred Burke. He dropped from sight after he shot and killed a Benton Harbor policeman as the climax to an argument over a traffic ticket.

Police say that the arrests are the first of a gangland roundup here and that they may lead to a sensational underworld expose.

ROWAN STEALS HOME FOR SINGLE MARION COUNTER IN CONTEST

Local Sluggers Solve Myers for Only Five Hits in 5-to-1 Battle Here.

BY BOB KIRKPATRICK
Sports Editor The Star

The inability of the Marion Shovel batters to connect with the offerings of Myers, Columbus All-Pro hurler, cost the local outfit its second defeat of the season yesterday at the Lincoln park enclosure. The erstwhile Marion sluggers could hit safely on but five occasions whereas in former games they have been walloping the sphere all over the lot.

Richardson, hurling for the Marion team after a week's layoff, turned in a consistent twirling exhibition, whiffing 14 Columbus batters only to set his expected victim, Myers, into this act of the bases. There was the occasion when Marion could advance a man further than the plate.

Those who did get there were soon left in the cold. Seven runners of the Marion lineup were stranded on the base paths during the game but Columbus put 11 runners on the bases only to lose them by the third out.

The work of Kossman, third sacker for the winning combination stood out as the best exhibition of all round baseball of any of the slugging aggregation. He batted out three hits in five times at the plate and played a great game at the hot corner although but two putouts were credited to him. Shoup led the batting assault of Marion, connecting for two hits in four times at the rubber.

Marion's stellar center gardener, Rowan, accounted for the only counter chalked up for Marion. He stole home in the fifth inning under the eye of the opposing hurler. Myers, Rowan made a dash for home that hasn't been equaled since Sherman made his famous dash for the sea via the Atlantic seaboard. Myers made a vain attempt to catch the fleet footed runner at the plate but Rowan was on his way to the dugout before the ball hit the catcher's padded hand. Lineup and summary.

Yankees Hand Indians Second Straight Defeat as Ruth and Gehrig Go on Home Run Rampage.

BY HERBERT W. BARKER
Associated Press Sports Writer

Thanks to the good left arm of Robert Moses Grove and the powerful bates of Lou Gehrig and Babe Ruth, the Philadelphia Athletics are leading the American league again today.

Grove's invincible pitching yesterday enabled the Athletics to whip Detroit, 10 to 1, while Gehrig and Ruth were batting the Yankees to a 17-10 victory over Cleveland, while once again in the circuit.

Grove gave the Tigers only four hits while the A's pounded Sorrell.

TUESDAY NIGHT TILT DEPENDS ON RETURN OF METHODIST AGE

Loop Championships at Stake in Every Night's Play This Week.

BY BOB ELLIOTT

Championships in the four local recreation ball loops will be won and lost during this week's play, which is easily the most outstanding of the entire season. Leaders meet leaders in all four of the leagues and there are going to be some sweet battles before the Commercial league concludes play Friday evening.

The climax of the entire week is the Calvary-Epworth No. 1 tilt Tuesday at Lincoln Park. These two teams have both won straight games this season and consequently are deadlocked for the title.

The St. Louis Browns nipped their old playmate, Al Grover, for two runs in the ninth to now out Washington, 3-2. Grover, traded on Saturday with Heinie Grover for Grover, blanked the Browns for six innings but weakened in the closing stages of the struggle. Manish accounted for one Washington run with a four-run drive in the sixth.

In the National league, the New York Giants advanced to within a game and a half of second place by whipping the Chicago Cubs, 7-4. "Shanty" Hogan's homer with two on in the seventh settled the game.

Brooklyn lost ground to the Giants by dropping a 9-1 decision to the St. Louis Cardinals. The Cards took advantage of five Brooklyn errors to score nine runs on as many hits. Darry Vance was not as effective as usual and gave way to Ray Moss in the game. The Robins blasted Grabowski out of the box in the seventh but could do nothing with Jess Haines.

In the only other National league game, the Boston Braves beat Cincinnati, 4-3, behind steady pitching by Ben Cantwell. The Reds were blanked for six innings but pounded Cantwell for two runs in the seventh and one in the ninth before the Braves' pitcher applied the brakes.

Richard Isaly Defeats Bower

First round play in the cup flight of the Marion Country Club's golf tournament for the Vice President's cup was concluded yesterday and second round play will start today in a rather surprising victory, Richard Isaly defeated the defending champion, E. M. Bower, three and two. Daniel Evans won from G. E. Frank by default and C. L. Gorton defeated Dr. E. H. Morgan, one up.

Second round results in the first round found H. R. Stoll defeating J. C. Woods, two up and T. R. Allen defeating C. F. LaMarche, one up on the 18th in second round matches of the second night played yesterday afternoon, J. R. Smith and J. J. Hane entered the semi-finals. Smith defeated H. R. Stoll, one up and Hane won from Dr. J. L. Mohla, two up.

If he is back and in reasonably good health we pick Epworth and if he doesn't haul we name Calvary. Take your choice.

We Pick Wesley
Tonight's games are headlined by the Calvary-Wesley tilt at the Salk diamond. These two teams are battling for second place, which Wesley now holds with four games won in five starts. Calvary has won three out of five. However this is anybody's game and if Calvary wins it, the second league championship must just about be conceded to Leo street. We name Wesley to cop for no good reason at all. For the other winners in this evening's schedule, Leo street should beat St. Paul, Forest Lawn over Presbyterians and U. B. over Reformed.

No outstanding games are on the Wednesday schedule of postponed Commercial tilt although the Service vs. K. of P. game at St. Paul Shovel should be worth seeing and the Prospect-Shovel contest at Garfield.

Thursday the Shovel Club will try to hand the Huber its first defeat of the first round and we pick them to do so. This Shovel team is capable of playing a whole lot better baseball than they have been doing, and if they are in good form they'll give the league leaders a fairly good lesson in the art of fine pitching. The leaders have been keeping at the top of the league purely through hard hitting and we don't think they'll get quite so many extra base singles off Leon.

Greeters Doubtful
Serv-Uwel and the Shovel A. A. meet Friday night in a game that will eliminate one of the two from further consideration for the Commercial loop title. They are tied at present for second place with three games won and one lost. We've never seen the greeters in action yet this season and consequently hesitate to name a winner of this game. The Shovel is good, there's no doubt about that, but then evidently so are the greeters. It's an open question and we'll reserve our decision until Thursday evening before the clash.

By The Associated Press
COLUMBUS, O., June 16—The Columbus Senators and the Louisville Colonels reaped the harvest of victory during a very busy day in the American Association circuit yesterday.

Four double bills were scheduled and each of these teams took the opportunity of winning both games. The Colonels' net Milwaukee down in both the first game and the nightcap by a one run margin. They won the first 6 to 5 and the second, 2 to 1.

The other teams split their twin bills, with the exception of the record between Indianapolis and Kansas City, which ended in a 5 to 5 tie and had to remain in a 5 to 5 tie and had to remain in a 5 to 5 tie and had to remain in a 5 to 5 tie.

Toledo won the opener from Minneapolis 16 to 11 but lost the second 6 to 3. It was an innings by agreement.

SEMI-FINAL BOUT OF WRESTLING PROGRAM RIVALS MAIN BATTLE

Joe Banaski and "Dude" Chick Will Go 30 Minutes Here Tomorrow Night.

Excitement will be the keynote of the Stearn Shovel's mat program tomorrow night. And if the boys in the hall and some small bouts do not send the cash and credit customers to their ears, then promoters will be utterly disappointed.

Outside the fact that it is scheduled to go on for 30 minutes, the semi-final bout should be just as interesting as the feature attraction. The match brings together Joe Banaski and "Dude" Chick while the main event is featured by the appearance of Tom Drask and George Hills.

A short time ago Banaski put on one of the most exciting bouts of the season with Cleve Kaufman. He lost but gave Kaufman such a terrific beating in the second fall that he looked like a possible successor to J. M. Kilgus, the gentle one.

Chick is known as one of the toughest light-weights in the game. Although Banaski does not specialize in the rough stuff, he can take care of himself in plenty easy fashion.

If the main ends in anything but a small rout, fans will have a right to be disappointed. Drask's mat tactics are well known here. Saying that he is disliked by local fans is putting it mild. Hills will be a favorite with the local fans. Some time ago they met in a match which resulted in a long spending several days in a hospital.

In the preliminary Hugh Bell of Delaware will be given a real test when he faces Hob Eaton.
